Miss Kathleen Parlow,
129 Major Street,
Toronto, Ontario.

Dear Miss Parlow:

Godfrey has handed your Will as signed to me and I understand that you would like it kept on file in our Wills' vault here. This letter is being sent to you as an acknowledgment that it will be kept here and an extra copy of this letter is being sent to Godfrey.

Under the Will your Executors are to dispose of your "clothing, jewellery and personal effects in accordance with the memorandum of even date hereto attached". Godfrey did not give me any such memorandum and I take it that one has not yet been compiled.

It would be of the greatest assistance to your Executors if such a memorandum could be compiled and attached to the Will. Nothing gives an Executor more difficulty than deciding upon the disposition of personal effects, some of which might have a considerable sentimental value for old friends or acquaintances or members of the family. Through lack of guidance to the Executor on the point, such values might be ignored.

If you do compile such a memorandum, would you be kind enough to send it to me and I will have it placed with your Will on our file.

It has been a great personal pleasure to me to be of some help to you, however small, and I look forward very much to seeing you soon.

Yours sincerely,

R. F. Reid
